2nd Annual Pads & Pencils Sponsorship Opportunities

Sunday, October 18th, 2026

Hosted by Linked Family Services | Bridge & Anchor Youth Initiative

Strong Girls. Strong Families. Strong Futures.

About the Event

The 2nd Annual Pads & Pencils Event aligns closely with DBHIDS' commitment to prevention, community wellness, behavioral health awareness, and supporting women and girls of color. The event provides adolescent girls ages 8–18 and their mother figures/caregivers with access to essential resources, including menstrual products and school supplies, while also creating opportunities for education, emotional wellness, positive communication, and relationship-building. Through caregiver-child engagement activities, breakout discussions, community resources, and supportive programming, the event promotes protective factors that contribute to healthy development, resilience, self-esteem, and family connectedness. By addressing period poverty and school readiness through a prevention-focused lens, Pads & Pencils supports the overall well-being of girls and families in Philadelphia.

2025 Highlights

Approximately 80 girls and caregivers attended

More than 500 menstrual products distributed

School supplies distributed to participating families

Breakout sessions for girls and caregivers

Community resources and wellness education provided

Specific Sponsorship Opportunities

Your sponsorship helps create a meaningful, educational, and empowering experience for girls and their caregivers. Financial and in-kind contributions directly support event programming, activities, and essential resources, including:

- Period Relief Bundles and menstrual hygiene products
- Diapers and wipes for participating families
- Lunch and refreshments
- Mother-daughter cake decorating experience
- LEGO building activity focused on communication, emotional regulation, and family bonding
- Confidence and presence workshop for girls
- Caregiver wellness and educational programming
- Educational materials, journals, and participant resources

- Door prizes and participant giveaways
- Event signage, printing, and décor
- Photography and videography
- General event operations and family support services

We welcome both [monetary](#) and [in-kind sponsorships](#). Donations of products, services, gift cards, refreshments, and event supplies are also appreciated and help make this experience possible for Philadelphia families.
